Y-UK-25PBVC / Y-UK-25PBVC32

- 25 kg Class Pavement Breaker
- 25 x 108 / 32 x 160 mm Hex Shank
- Latch chisel retainer
- Suitable for large area pavement breaking, reinstatement & trenching
- Built in automatic oiling system
- Vibration damping handles and air cushioning cylinder design
- Integrated noise muffler

2yrs Warranty

All DURO Yokota Heavy Duty Hammers & Pavement breakers include a fully extended 2 year manufacturer's warranty.

Vibration Control

Equipped with a range of vibration reducing design features for smoother operation and greater comfort. By selecting a vibration controlled option, you not not only decrease any potential health risks to your tool operators, but you could also massively increase your productivity levels. Increasing the length of time the tool can be used before ELV & EAV levels are reached.

Auto Lubrication

In-built automatic oiling system to ensure correct lubrication at all times. Vastly increasing service life and reliability, reducing wear & repair costs.
